

Technical Information

MC 10

Mold Cleaner

Product Description

ASV® MC 10 Mold Cleaner Spray is a non-flammable and non-conductive heavy-duty degreaser for cleaning molds and dies. It is a fast penetrating non-abrasive cleaner which evaporates rapidly on application without leaving any residue and allows equipment to be used faster thereby avoiding costly downtime. On spraying, it immediately penetrates through soils, dirt, oxides, silicones, oils & greases and acts quickly to dislodge them.

Applications

ASV® MC 10 Mold Cleaner Spray is designed for use on molds, pins, chains, bushes and similar mechanical equipment.

Benefits

- Effectively cleans & removes grease, oil, dirt & dust
- Rapid cleaning & penetrating action
- Colorless, odorless & non flammable
- Non staining & non corrosive
- Contains safe nonflammable CO₂ propellant
- 360° valve allows spraying in any position - even inverted

Directions for Use

Shake can well before using. Spray product in a well ventilated area. Hold can 10-12 inches from mold surface and apply. Use extension tube for pinpoint accuracy and ease in cleaning deep cavities.

Technical Information

MC 10

Mold Cleaner

Technical Properties

Property	Value
Type	Cleaner
Appearance	Liquid
Color	Clear
Odor	Mild
Specific Gravity @ 20°C	Above 1.20 gm/cc
Flash Point	None
Boiling Point	87°C
Solubility	Nil in water
Vapor Density	> air
Percent Volatile	100
Evaporation Rate	Rapid
Kauri Butanol Value (KB)	130
Propellant	CO ₂

* of active ingredients

Available Packaging

- 575 g / 400 ml aerosol spray

General

Use in well ventilated areas. Avoid continuous breathing of vapor and spray mist. In closed areas or areas with poor ventilation, use respiratory protection. For complete details on safety, short and long term exposure, refer to this product's safety data sheet (SDS).

Disposal

All used and unused product should be disposed of in accordance with state regulations.

Shelf Life

24 months from date of manufacture in sealed condition

Handling

Read instructions on the container label of the product before use. The product safety data sheet (SDS) contains the relevant information regarding personal protective equipment, safe use, physical and health hazards. Safety data sheet is available from ASV or your local ASV distributor.

Limited Warranty

The information and data contained in this sheet is accurate to the best of our knowledge or is obtained from sources, tests or experiences believed by us to be reliable and accurate. User is responsible for determining whether recommended ASV® product is fit for a particular purpose. All products should be tested for suitability on a particular application prior to actual use. We make no representations of any kind. Data offered without warranty.
